

Welcome to Birch Hill Pre-School Newsletter

We would like to thank the staff and the committee for getting the pre-school ready for the children to enjoy it on a day to day basis

We are having a Christmas Raffle before we break up for the parent to join in and the Christmas party.

Committee

We would like to thank parents who started on the committee and the ones who are still on it. We would like any other parents who would like to join the committee to come forward. (Ask a member of staff for more info)

Name on things

Would all parents please put children's names in their coats, hats, gloves, and wellies to make it easier for the staff to return the bits to the children's pegs? If toys are brought in please name these.

Donations

If any parent would be able to donate some tissues as it is now the time of year where colds are going around it would be grateful and thanks to those who have brought some in already.

We have a money donation box on the registration table any loose change would be gratefully received. If you have any surplus rolls of unwanted rolls of paper we could put to good use.

Childs Progress

For all parents we have a planning sheet for you to look at on our wall and you can see what your child is doing in the school. We have their folders that you are welcome to see at any time just ask their key worker for your child folder.

Please feel free to be involved in the pre-school if you would like to spend a morning with us and play you are always welcome.

Reminder

Can we please ask that you pay the child's fees promptly? It is very important as we are a nonprofit making organization and are charity funded. Your fees cover the wages, rent and the refreshments.

We are doing a family photo display we would ask if parents would bring in old photo for us to put up on the wall.
